

I want to thank everyone
who donated Christmas
gifts to the store at
the YWCA. You made my
year good and allowed me
to buy gifts for my 2 daughters
that I would of not been
able to without your help.
I didn't have any money of
my own. I was homeless last
year and didn't get to see
my kids at all this year
will be wonderful and
amazing.

Thank You
so much!
Sincerely,
